Mark 19:26

As part of striving to be an outstanding school, the Governors aim to raise their effectiveness working alongside the Head teacher, staff and parents in creating a school with a distinctive Christian vision established and promoted by leadership at all levels enabling all to flourish.

The purpose of governance is to provide confident, strategic leadership and to create robust accountability, oversight and assurance for educational and financial performance.

The purpose of the Governor's Action Plan is to support these core functions and to form part of the self-evaluation process, led by the Head Teacher.

Governors undertake an annual review at the end of the school year to identify any areas of best practice and development and to set priorities for the forthcoming year. This plan will be reviewed at the end of the summer term and an "Impact Report" presented to the FGB in the Autumn Term 2022.
