School Disco

St Nicholas Primary School PTFA

Christmas was a busy time for the PTFA. With crafts and refreshments at both the Nativity Performances, along with the disco, hampers and raffle. It is recognised that events for families are not well supported and this lead to the cancellation of the Christmas event, therefore in the future we will concentrate on events for the children. All of the PTFA committee members volunteer on top of their work and family life commitments to raise much needed funds for the school. Please show your support and enable us to improve the school for our children's learning environment. Our next projects include adding a roof to the outside dining area, along with repainting the footprints leading into the school.

Finance Update

So far this school year, the PTFA have funded £2000 for the classroom whiteboards, along with M&M Theatre visit, and one class school trip. We have raised just short of £2000, leaving a balance of £1385.

Thank you to Hanford!

It seems a long time ago now but near the end of last year Hanford School held a Christmas Fair. We were lucky enough to have a table to sell crafts that had been made by our PTFA. Hanford raised an amazing £1000 for their charity, Child Bereavement UK. We made a small donation and raised money for St Nicholas PTFA funds as well. It was a fun evening.

All Age Christmas Disco

The school disco in December proved hugely popular and was a great success. Children from all years enjoyed the night 'dancing away', playing games (like passing their balls with their knees) and attempting to eat chocolate with cutlery and gloves. Not to mention consuming hot dogs and maybe a few too many sweets. Thank you, for all who helped support the evening.

The PTFA are working hard behind the scenes to organise various fundraising events, without support of the events this will have an effect on what we can offer the school to support the children's learning, including subsidising school trips. If you would like to help at any events please just talk to one of us!
