1<sup>st</sup> of May PTFA meeting at the Park

Apologies: Carol, Tanya, Emma H, Rachel, Emma S, Tasha,

**Fete:**

Simon will meet Charlotte on the Friday before the fete 5<sup>th</sup> of June with some man power to collect the skittle ally from Lydlinch village hall and bring to school.

- Ms Watson is going to check the diary in the office to be able to have a dress down day on Friday the 22<sup>nd</sup> of May in return for filled jars – Emma we will need the flyer for this please can we use our whatsapp groups to help explain what a filled jar is!
- Emma H please can you chat to Ms Watson about the Alpacas!
- Simon is going to chat to the pottery chap and see if he would like to come
- We will run a water or wine stall ( collected about 100 empty bottles from work!) we think a shout out to parents for donations of bottles would be good? But we need people who are happy to collect these in the playground? - Emma will need a flyer for this? Please can we use the whatsapp groups to rally a bit of support.
- We need some face painting help – I have some tattoos and glitter gems and will try and find Isla's glitter tattoo pens! Please can we do a shout out on whatsapp groups for painters

We need to gather helpers for the Fete – we also need donations of cakes etc

Rugby Tots would like to come along again!

Georgia is going to put together her spread sheet of who we have outside stall wise and those that have offered raffle prizes BUT this area we are quite behind with so please ask anyone you can think of that might be able to donate something.

Dates for school events

19<sup>th</sup>/20<sup>th</sup> May Sports day please can we have some help with the refreshments stall?

Donations of cake

Getting and freezing the ice pops for after (remember we do the ark too)

Carol do we have a license for that day? And can we have a float! **Please we need Volunteers**

Friday 22<sup>nd</sup> am collection of filled jars **can we have a couple of people** to stand with a box or two and collect the jars

Friday 5<sup>th</sup> of June after school we only need a hour or so but to put up the bunting and help sort things out for the fete

Saturday 6<sup>th</sup> of June ideally to be at school no later than 9.30 to help set up and see the stall holders on to the field

Carol can we have a license and floats for today –

Friday 19<sup>th</sup> of June event at school “boogie bingo” years 4,5,6 Please can someone look into getting the boogie bingo books so we can make a play list to go along side this ..... **Emma can you make a flyer for this? Volunteers needed please**

27<sup>th</sup> of June Hey day – we have had a great day making candles today and I have ordered a few more bits to be able to do this as our craft stall – really easy, very effective and fun! **Please can we have some volunteers for this day –**

Friday 3<sup>rd</sup> July event in school for years 3,2,1,and reception. Gemma is going to check this date can work for her with Clayesmore end of term. We wondered about doing a bit like the Polar Express event various work stations with activities alongside the circus skills. Having done the candles today with 3 5yr olds who were great at doing them this could work. We need a few other ideas please! **Volunteers needed**

There will then be the year 6 play to do refreshments at – I am sure there will something I have missed!

This always seems to happen here’s to a massively crazy term!

Ms Watson had previously asked if there might be a chance of the PTFA helping with outside items – this was then highlighted in the recent OFSTED inspection and I think we can all agree that helping with the outside area and games is a good use of the some of the money! I have asked Ms Watson to compile a list of things they want – Ms Badger and I have also chatted about play equipment and Ms Watson will re visit this with Ms Badger as there is the possibility of some more money coming in July – Rob thinks there will be possible a similar amount as this time.

Jenny has spoken to the Library design company who will hold the quote for the library till the summer holidays and the SAST building team will be on hand to let the company in to do the work – over the summer holiday so when the school returns in September there will be a shiny new library.
