

1 March 2021

Dear Parents and Carers

On Friday the 19 March it's Red Nose Day and we will be taking part at school.

The theme for this year is **FUNNY IS POWER**.

If we've learnt one thing in the last 12 months, it is life is unpredictable. One thing we can always rely on though is the power of laughter. It can change things. It can connect us. It can be the difference.

That's why, on Friday 19th March, we are going to join in with helping to change the world with the power of funny and helping to make the world a better place.

SHARE A SMILE AND DRESS UP FOR FUN!

We would like the children to come into school on Friday 19 March wearing an outfit to make us smile and laugh. This could be wearing odd clothes, clothes inside out, wearing a wig or hat, wearing clothes that don't match – a bad taste/dress sense day! Official Red Nose Day T-Shirts can also be worn too with your outfit.

As this is a fundraising event, we would like to ask that the children bring in a £1 each to donate towards the cause.

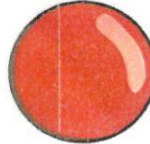

We are also selling Red Noses from the School Office from **MONDAY, 15 MARCH** at a price of £1.50 each.

Throughout the day the children will join in with a variety of activities in their class, including looking at why we have Red Nose Day and examples of where people have been helped as a result of this charity event.

Another fun thing we are going to do on the day is to hold a joke competition. Each pupil will be invited to put a joke in a box that will be anonymously read out to their class. The one that raises the most laughs will receive a small prize! We will then read these out during Celebration Assembly and publish them in the local magazine, The Hill.

We will let you know any more information if necessary nearer the date or your child's class teacher will be in touch with any further details.

It's time to put those thinking caps on and practice joke telling at home as well as finding the most unusual and funny outfit to help us all smile!

Best wishes

Mrs Belinda Bolar

Deputy Head
