

Homework

In Acers we will be setting the following homework:

- Reading

Your child will have an allocated reading day where they will read with a teacher at school. If your child is a free reader they can change their book when they are ready; we are mindful that some books may take longer to read! If your child is on the reading scheme we will let you know what day we will change books. Please continue to read regularly with your child at home. As well as fluency, children need to be able to answer questions based on the text to show understanding.

- Spellings

Spellings will focus on a different spelling rule each week and will also include some common exception words. There will be a spelling test on Wednesday and new spellings given out. Please practise the spellings in the purple book, which is also designed to help children practise their handwriting at the same time! Remember to bring the purple book in school every day.

- Maths/PAG (Punctuation and Grammar)

Mrs Roots will set the maths homework for Year 4 and Ms Watson will set for Year 5. Mrs Wellband will set the PAG homework for Acers. Both these pieces will go out on Friday and be due in the following Wednesday. These pieces will be based on something we have been working on in class.

Returning homework: in the classroom is a large clear box for Year 4 to return maths books and everyone to return PAG books. In the maths area of the classroom is a tray for Year 5 to return their maths books.

Thankyou for supporting your child with their homework. If you have any questions or queries please come and speak to us.

Mrs Roots and Mrs Wellband
