

St Nicholas Primary School

Child Okeford

15th March 2022

Dear Parents/Carers

Acorns and Ash visit from Science Dome (in school) –Wednesday 23rd March.

Purpose: To enrich our learning about recent projects in class, the children have the opportunity to enjoy a different learning experience in the form of a pop up planetarium. Ash Class are currently doing a project on Greek myths & legends and Acorns are learning about dinosaurs. Each class will enjoy a show inside the planetarium on their class project. This promises to be a very fun, immersive and memorable learning experience.

Timings: The pop up planetarium will arrive at school on **Wednesday 23rd March** and will be sited in our school hall. The shows will take place in the morning.

Costs: To cover the cost of this visit from Science Dome, we are requesting a voluntary contribution of £5.50 per child. ***We need to collect sufficient contributions in order for the visit to go ahead.*** It would be appreciated if contributions could be handed to the office as soon as possible, however, due to the last minute scheduling of this event, we will gratefully receive contributions up until Wednesday 30th March.

We are very excited about the visit and look forward to sharing the experience with your child. If you have any questions about this event, then please speak to your child's class teacher.

Yours sincerely
Miss Ireland Mrs Hughes

Acorns and Ash visit from Science Dome (in school) Wednesday 23rd March RETURNS SLIP

Name: _____ Class: _____

I am enclosing my contribution of £ _____
