

All About Your Child

Date your child is starting at school: _____

Date this form is completed: _____

It is essential that we learn as much as possible about your unique child before they start school. This will help us to settle them and build learning experiences around their interests and needs. We will be working in partnership with parents/carers to deliver the early years curriculum over the next year. Any information included on this form will remain strictly confidential.

*Due to the Coronavirus situation, we need to minimise as much as possible the amount of paper work between home and school. Therefore, this year's form we'd like you to complete electronically please and email to the office by **Friday, 2nd July 2021.**
