

Dear Parents

Welcome back to the new school year.

We are pleased to be able to offer a good range of clubs again this year and we very much hope your child will find at least one activity that interests them and we hope to be running a wide range of fixtures throughout the year. **Clubs start week beginning 12 September 2022 and end on Thursday, 8th December 2022.**

We ask that you collect your child promptly after clubs from the main school gate. Please ensure that your child arrives at clubs suitably equipped with PE kit and specific items as listed below, and that they also have PE kit in school every day of the week. Warm clothing should be provided as the weather changes.

Please email me sjsalisbury@childokeford.dorset.sch.uk or Mrs Hanson if you are experiencing financial difficulties and would like support with paying for paid clubs. We cannot guarantee that we can support everyone that requires it but we will do our best.

Running club:

This is a new activity and will be offered on a rolling basis (see timetable). Please ensure that your child has good trainers as the runs will be cross country and suitable weather appropriate clothing. It will be aimed at all levels and children will be able to find a pace that suits them. The children will be issued with high visibility vests but are welcome to bring their own high-vis clothing. Parent helpers are welcomed and encouraged; please contact the office if you are able to help.

Specific Equipment:

Please be aware, that for rugby and football clubs, children should wear studded boots. We have a large collection available for long term loan and the bucket will be placed in the outdoor classroom for you to have a look through. If you find a suitable pair of boots, please feel free to keep them until your child doesn't need them anymore and then return/swap them.

Footballers will also need shin pads

Gum shields are not necessary for rugby as we only play non-contact/TAG rugby.

Please highlight and name the attached slip and return back to school.
