A great start...

We have had a really successful first few days in Chestnut Class and it has been so lovely to get to know all our new Chestnut friends! The children have shown great enthusiasm and courage whilst learning all the new routines. Mrs Pape is very much looking forward to getting to know everyone a little better on Monday and I very much look forward to hearing about all the lovely things the children get up to when I return to school on Thursday next week.

Reminders

Home learning is handed out on Friday's. Please remember to make sure your child places their homework book in the homework box in class by Wednesday each week to make sure we have time to look at the amazing learning that takes place at home.

Each child will have the opportunity to visit our school library on a Monday afternoon each week and will be able to choose a book to share with you at home. This is not a reading book that children are expected to read to you, rather a book for you to read to them to share the love and enjoyment of reading. Please make sure your child's library book is brought back into school every Monday so that they can choose a new one each week to bring home.

If your child is going to be picked up by anyone other than yourselves please do remember to let either one of the Chestnut staff know in the morning or by informing the school office.
