

Ash Class Adventures – 29.09.25

What a fantastic start to the year we've had in Ash Class! The children have settled back into routines beautifully and have already thrown themselves into so much exciting learning.

In English, we've been diving into our 'Autumn is here' topic. From crunchy leaves to cosy colours, the children have been gathering words and ideas to inspire their very own Autumn poems.

In Maths, our first focus has been Place Value. The children have been tackling numbers up to 1,000 with confidence, and we'll soon be moving on to Addition and Subtraction.

Our Science topic, 'Food and the Digestive System', has sparked some brilliant thinking. The children loved creating food chains, food webs and answering 'What might happen if...?' style questions.

In Geography, we've set off on an adventure across North and South America. The children have been comparing climates, landscapes, and features of different countries.

In Art we have been exploring warm and cool colours and looked at some Aboriginal art for inspiration in creating our own dot style paintings.

It's been such a super start to the year, and we are so proud of how hard the children are working. Ash Class, you've made a brilliant beginning—let's keep the adventures going!
