

Acers News!

I can't believe we are at the end of week 5 already! We have become more settled and focussed as the weeks have progressed, and I am pleased with their achievements so far.

In writing, we produced some fantastic writing when writing a dream in character as the BFG. We have really enjoyed playing around with words and getting into the role. We have now moved on to our non-fiction unit 'Wizards of Once' and we will be writing a newspaper report in weeks to come to report on how Queen Sychorax has declared war on all magical beings.

Our DT topic of 'Make do and mend' has been extremely popular and I again want to thank you for supporting your children's love for this. We are well on our way to creating either a pencil case, a bookmark or a pin cushion. I'm looking forward to seeing the final product!

In Science we have been investigating how sound travels and exploring how to change the pitch of a sound. The children enjoyed trying to block sounds using various materials.

Our guided reading book and our class reader is BFG and will continue for the next couple of weeks. If your child has this book at home, it would be lovely for them to have their own copy to enjoy when we are reading it.

A reminder that PE kit needs to be in on Tuesdays and Thursdays and reading records need to be in school each day. Spelling homework needs to be completed by Wednesdays, and their homework book must be in school on that day.

The highlight of our term so far must be our trip to Bovington Tank Museum. I was proud of how polite, considerate and enthusiastic all the children were. Lots of them expressed how fantastic it was and that they wanted to go back again. They also learnt lots of additional information about WWII to support our history topic 'A Child's War'.

Thank you all for your continued support,

Mrs Colville, Mrs Bowering and Mrs Garry
