

Chestnuts Newsletter 9th January 2026

Welcome back to the Spring term. Although, Spring feels a way off yet, unfortunately. I hope you all had a good break and are looking forward to the year ahead. Thank you for the cards and presents I received. It was very thoughtful.

English

This term we have started Little Red Reading hood, about a girl who is mad about books based on the well known fairy tale Little Red Riding hood.

Maths

Year 1 have started looking at numbers to 20 and splitting two digit numbers into tens and ones. They are doing very well so far.

Year 2 are looking at money and this can be tricky as we don't use money as much as we used to. However, an understanding of it is important and we are working hard at addition of amounts.

Science

We are looking at the Seasons this term, which is a super topic. I have put some ideas related to this on the Curriculum map.

History is The Great Fire of London which should be really interesting and I know a lot of children have visited London or are planning to.

I hope that we will have a successful and enjoyable term. Once again, I thank you for your support with hearing your child read, helping them to complete their Home learning and providing some enriching experiences for your child outside of School. I love hearing about their adventures.

Mrs Pape
