

## Acers News!

Welcome back to another jam - packed half term! It has been lovely to see a glimpse of Spring with the wonderful sunshine! A quick reminder that the weather can soon change, so please bring a coat - just in case!

We are looking at 'The Great Chocoplot' by Chris Callaghan in Writing and Guided Reading this half term. The children have access to this on the visualiser and photocopies, but if your child would like to bring in the book, they are very welcome to do so.

We have enjoyed our first lesson of RE this week. We will be exploring and answering our big question of 'What symbols and stories help Jewish people remember their covenant with God?'. We loved looking at important objects and symbols this week.

In DT, we are engineers! We will be looking at different structures of bridges and what makes them so strong and reliable. The children are very excited about this topic!

A reminder that reading books/records need to be in daily. PE kit must be worn for PE lessons with their school jumper. **Please note a change in PE days!** We will now have PE on Tuesdays and **Fridays**. We are hoping to get outside as much as possible, so please bring appropriate PE clothing for warm and cooler weather.

On Thursday, we will be celebrating World Book Day. Please remind children of our reading challenge and encourage them to record their reading and ask for sponsors. I can't wait to see them all in their costumes!

Well done to Paige and Mary for achieving 75 dojos!

Thank you for your continued support,

Mrs Colville, Mrs Bowering and Mrs Garry
